MARYVILLE, MISSOURI TUESDAY, SEPT. 30, 1919

NO. 96

VOLUME 10

U. S. GOODS SELL UNDER NEW PLAN

ORDERS NOW GO TO THE RETAIL STORE AT ST. LOUIS

PRICE LIST GIVEN HERE

Discontinuance of Sales to Postmasters Announced; Supplies Must Reach the Consumer

Instructions have reached the Maryville postoffice about the plan for retail and mail order sales of surplus army supplies direct to the consumer. Sales to the postmasters under the old plan was discontinued September 20.

Mail orders must be accompanied by postoffice money order, certified check or cashier's check covering the value of the articles ordered. No other forms of payment will be accepted. Mail orders must be plainly addressed "Zone Supply Officer, St. Louis, Mo., Mail Order Department." If mail order is received for supplies of which stock is exhausted, money will be returned or the articles available will be forwarded and the money value of unfilled part of order refunded.

Price lists may be changed or revised from time to time upon notification from Washington and corrections sent to mayors, postmasters and newspapers.

Mail orders may be made for less than case lots, but should not be made in quantities in excess of reasonable family needs.

As the object of this method of disposal of surplus government supplies is to place them in the hands of the public at the lowest price possible and to effect as wide a distribution as possible at minimum price, the government reserves the option to limit quantities to be sold to any individuals or to decline to sell if it appears goods are to be sold or are bought for purposes other than consumption of families, in homes or for use of the needy.

Hotels, restaurants, messes conducted for profit, etc., are therefore excluded from the privilege of purchase. The official price list of articles for sale in the army quartermaster stores and for which mail orders will be taken accompanied by the money, is:

Arctics, cloth top, new, \$1.50 a pair; arctics, all rubber, new, \$2.25; blankets, cotton, new, \$3.00 a pair; blankets, wool and cotton mixed, new, \$5 each; blankets, wool, new, \$6 each; boots, rubber, hip, new, \$5.25 a pair; brooms, corn, new, 60 cents each; brushes, scrub, new, 15 cents each; brushes, shaving, new, 15 cents each; candles, tallow, new, 20 cents per pound; drawers, summer, balbriggan, new, 50 cents each; drawers, wool, heavy, winter, new, \$1 a pair; drawers, summer, Nainsook, new, 50 cents a pair; drawers, summer, elastic seam, new, 50 cents a pair; drawers, summer, knee length, new, 50 cents a pair; drawers, summer, full length, new, 50 cents a pair; gloves, jersey knit, new, 20 cents a pair; lanterns, folding for candles, new, \$1 each; leggings, foot, new, 75 cents each; overalls, combination, new, \$2.50 a pair; (Continued on page 2)

IOWA STORM TAKES BRIDGES ON BOTH SIDES OF LENOX

Morning Train Is Not in Yet; Elements Burned

The morning train from Creston had not reached Maryville this afternoon, as the result of a storm in Iowa last night that washed out bridges on both sides of Lenox, besides carrying away 600 feet of track and burning out the telegraph instruments at Lenox. The abutments of the bridges were carried away too, which may delay the repairs. One bridge was between Lenox and Kent, the other between Lenox and Conway.

The night train to Creston last night got through all right, which would indicate that the storm took place after 10 o'clock.

The noon train today had orders to go through to Conway. It is expected to come back this afternoon.

MRS. JOHN W. SNAPP DIES AT HOME OF DAUGHTER IN K. C.

Funeral Services Will Be Held at the Residence in Maryville Tomorrow; Burial at Oak Hill Cemetery

Mrs. Elizabeth A. Snapp, widow of the late John W. Snapp of Maryville, died Monday afternoon at the home of her daughter, Mrs. John F. Bell, in Kansas City, Mo., where she had been visiting for four months. The body will be brought to Maryville for burial and will arrive tonight. Funeral services will be held at the family home, 422 East Seventh street, at 2 o'clock tomorrow afternoon, conducted by Rev. R. C. Holliday of the South Methodist Church. Burial will be at Oak Hill cemetery.

Mrs. Snapp was born in this county, White Cloud township, December 4, 1848, and had lived in Maryville for thirty-three years. Her husband died six years ago last March. Surviving are one other daughter, Miss Bertha Snapp, and a son, Charles G. Snapp, both of Kansas City; also two brothers, T. B. Groves, Wray, Colo., H. S. Groves, Denver, Colo., and three sisters, Mrs. Ora Grigsby, Columbus, Ohio, Mrs. Ed Perlew, Visalia, Calif., and Mr. Belle Perlew of Hutchinson, Kan. The three surviving children will be here for the funeral services as well as a brother, T. B. Groves, of Wray, Colo.

Maryville Property Changes Hands.

William McDonald has sold his residence property and two acres of land on the north boundary line of Maryville to Benjamin Bailey. The consideration was \$2,750. Miss Laura O. White has sold her residence property on South Buchanan street to John Haist for \$3,000, possession to be given March 1. Both deals were made by Holmes & Wolfert.

Aviator Drops Into Maryville.

Lieutenant G. E. Benefiel, the aviator who landed in the Blatter pasture southwest of Maryville at 2 o'clock yesterday afternoon on account of poor gasoline, continued his trip from St. Joseph to Lenox, Iowa, last evening, leaving Maryville at 5 o'clock. He is to give exhibitions in Iowa.

The Rev. and Mrs. S. A. Colle spent yesterday in St. Joseph.

TIME IS CRITICAL IN ENGLAND NOW

NEXT 24 HOURS IMPORTANT, SAYS HEAD OF THE STRIKERS

WOULD WRECK TRAINS

Change of Signals Found in Time to Save Lives; Food Distribution is Satisfactory

London, Sept. 30.—The next twenty-four hours will probably be the most critical in Great Britain's industrial history, J. R. Thomas, executive secretary of the national union of railway men, declared in a speech at Clapham today. Troops have been posted about the vicinity of all railway stations and armed guards were riding departing trains this afternoon.

London, Sept. 30.—Attempts to wreck trains in the railway strike are reported in an official statement given out at the premier's official residence today. Some minor acts of sabotage are reported, the announcement said. Railway service is improving. One case occurred during the night where the red and green signals were altered but there was no loss of life. The distribution of food continues satisfactory. The ministry of transport in a statement says numerous men are reporting for duty over the country. The tram workers may strike, but if they do the government is empowered to commandeer the lines.

The secretary of the vehicle operatives announced that their strike vote has been postponed until tomorrow. The federation of discharged soldiers and sailors has issued a circular stating that the organization will maintain neutrality in the strike.

NEXT! SAYS JUSTICE JOHNSON; IS READY FOR 500TH WEDDING

Maryville's Marrying Judge Makes It 499 Today; This September Best Month in 22 Years.

"Wanted, another wedding," is the way Justice Warren L. Johnson might phrase it, if the wand-and-columbs could help him, for the justice this morning married his 499th couple and is keeping an anxious eye out for the 500th. Delbert Wilder of Onawa, Iowa, and Miss Gladys Johnson of Sloan, Iowa, the latter no relative of the judge, were the couple this morning. Their license was the twenty-third issued in the county this month. Also, says Judge Johnson, this is the best month he has ever had for marriages, and the judge has had many months of the same sort of work. His total for September is nine. It was back in April, 1897, that Judge Johnson started his last continuous service as justice of the peace; so his marrying record for this month is the best in twenty-two years. His average has been twenty-three weddings a year.

The judge gets most of the weddings in Maryville, as his percentage of nine out of a possible twenty-three this last month shows. Many of his customers come from Iowa, as the marriage laws in Missouri are not the same as in their home state, and Maryville is convenient, being the first county seat south from Iowa on two railway lines.

British Land at Odessa.

London, Sept. 30.—British forces have landed at Odessa and occupied the city, said a Central News dispatch from Vienna today, quoting advice from Budapest.

Mr. and Mrs. Charles Black of Burlington, Iowa, left this noon for their home, after attending the funeral of R. D. Jones in Maryville. Mr. Black is a cousin of Mrs. Jones.

PROF. C. C. LEESON IS ELECTED HEAD OF M. E. SUNDAY SCHOOL

Officers For Year Chosen at a Meeting Last Night; Establishment of a Reference Library Is Voted

The Sunday school workers of the First Methodist church organized for the year at a meeting held last night at the home of the pastor, Dr. Gilbert S. Cox, on South Main street.

The following officers were elected: Prof. C. C. Leeson, superintendent; Prof. Bert Cooper, assistant superintendent; L. B. Tracy, superintendent of the adult division; Mrs. Alice Perrin, superintendent of the intermediate division; Miss May Howland, superintendent of the junior division; Mrs. Guy Haller, superintendent of the primary division; Miss Myrtle Hogue, superintendent of the beginners' division; Mrs. J. S. Ford, superintendent of the home division; Mrs. Charles Gaugh, superintendent of the cradle roll division; Miss Mary Q. Evans, superintendent of the missionary instruction division; E. M. Houchens, superintendent of the temperance instruction division; Miss Elizabeth French, song leader; Miss Carrie Margaret Baker, pianist; Miss Ruth Hankins, leader of orchestra; Robert Nichols, librarian; Miss Mattie Price, secretary; Miss Vada Foland, assistant secretary and treasurer.

Miss Ruby Irwin was named assistant superintendent of the beginners' division; Miss Ruth Matter, assistant superintendent of the primary division; Miss Cora Gehr, assistant superintendent of the junior division.

These officers are elected for a year, as the meeting last night was the annual session. The Sunday school voted also to establish a reference library of books on the Bible and on teacher training, in addition to the regular library.

BAPTIST REVIVALIST PREACHES THE OLD-FASHIONED GOSPEL

Rev. G. E. Kennedy Defines a Christian; Says What He Thinks About Cards and Sunday Amusements

Rev. G. E. Kennedy, evangelist, spoke last night at the Baptist church to a good audience on "Making Jesus First" in the life.

"Some folks think they are Christians because they have accepted some form of theology and professed Jesus Christ as the Son of God and go down dry and come up wet and join the church," he declared. "That don't make a man a Christian. You must come to Jesus Himself and surrender your life to Him."

"You are not a Christian simply because you pay something on the preacher's salary and attend church when it is convenient. If you are a Christian you will do all that and much more."

"I was in Excelsior Springs some time ago and had occasion to ask the man who ran a jitney line to take me to the station. He sent one of his drivers to take me. After I had arrived, he came and stepped up to me and apologized for not taking me himself, but said that he had promised to take a crowd of women to a Christian card party. A Christian card party? Do you think those women were worth anything to Christ? It would take a hundred of those kind of Christians to win one soul to the Lord Jesus in a hundred years."

"Unless Jesus is first in your heart it is very doubtful if you know him at all. Don't think if you are running off every Sunday to the baseball game and running away in your auto on Sundays from the services of the church that your influence with God or men amounts to anything. Lots of folks who claim to be Christians are dead and don't know it. They stick their toes out and are getting them tramped on and complain that the preacher is dull and the brethren are cold and unseeable."

"Let Jesus take his rightful place in your heart and you will be so interested in getting others to Jesus that you will have no time for fancied injuries."

The old-fashioned gospel of sin and salvation through the blood of Jesus Christ is Rev. Mr. Kennedy's constant theme without any of the new-fashioned trimmings.

The preaching services will continue every evening, beginning at 8 p. m.

Mrs. M. G. Tate was a visitor at the Chillicothe Business College Monday the guest of her son, George B. Tate, a student in the banking department.

DECISION ON FIUME HELD TO BE EASY

PREMIER CLEMENCEAU'S PAPER SAYS SO IN FRANCE

RELY ON U. S. PRESIDENT

Latest Telegrams Declared to be Favorable; Italian Chamber to Resume Discussion

Paris, Sept. 30.—L'Homme Libre, Premier Clemenceau's paper, stated today the latest telegrams from President Wilson show it would be easy to reach a decision on Fiume acceptable to the world. If the Italian government would act formally, it is hinted a general election in Italy or punishment of the insurgents under D'Annunzio are alternatives.

London, Sept. 30.—The Italian Chamber of Deputies will resume a discussion of the Fiume trouble Wednesday, according to a Central News Rome dispatch today.

Rome, Sept. 30.—The Serbians are planning an exhibition against D'Annunzio's Italian troops occupying Fiume, the Berne correspondent to the Idea Nazionale reported today and declares a confirmation report had been received at Berne from Serbian sources.

DISCONTINUANCE OF SUNDAY MAGAZINE SECTIONS ASKED

Missouri Press Association Adopts Resolution to Conserve Print Paper; Fred Hull Is Secretary

A resolution asking the publishers of metropolitan dailies in Missouri to eliminate all Sunday feature sections and magazine sections and to hold the papers to a strict news basis until the crisis in the print paper situation is over was adopted at the Missouri Press Association at Springfield, Mo., last week.

The resolution was introduced in the report of the resolutions committee and was immediately adopted by the delegates. The resolution follows:

"The matter of most concern to the publishers today is the print paper supply, prices having reached the highest point on record, and we are told that at present the demands far exceed the supply. There can be no relief until the publishers practice the strictest conservation."

"Whereas: The present prices are out of all reason as compared with the resources of the publishing business and as it appears that the relief can come only through conservation and as the country publishers are forced to use the least paper possible,

"Therefore, be it resolved, that the Missouri Press Association, in convention assembled, appeals to the publishers of metropolitan dailies, Kansas City, St. Joseph and Springfield and other cities, to dispense with the magazine feature sections of the Sunday editions and hold strictly to a news basis, thus setting an example for the publishers of the larger papers throughout the United States. To this end the members of this association pledge their support and co-operation."

Fred Hull of the Maryville Tribune was elected secretary of the state association.

County Court Inspects No. 2.

The Nodaway county court, composed of Judge E. T. Bailey of Maryville, Judge Dwight Davis of Burlington, Judge Charles E. Walker of Burlington Junction, accompanied by Fred Wright, deputy county clerk, went to St. Joseph last evening for the annual inspection of the State Hospital No. 2, where about thirty patients from Nodaway county are confined. The party is expected back in Maryville this evening.

Good Roads Meeting Tomorrow.

Tonight the Victory tourists, who started from Kansas City yesterday morning, will pull into Chillicothe, Mo., for their second night's rest. Tomorrow morning they will start on their drive to Maryville, which will end here at 6 o'clock tomorrow evening. A good roads meeting, with band music, will be held in the circuit court room at 8 o'clock tomorrow night. The next morning the tourists will leave for St. Joseph.

Mrs. Jennie S. Calk of Clarksville, Mo., who has been spending the summer at the home of her daughter, Mrs. R. L. McDougal, will leave tomorrow morning.

GENERAL WOOD TAKES CHARGE OF THE SITUATION AT OMAHA

Works Under Orders of Secretary Baker; Governor Also On Hand to Begin Investigation

Omaha, Sept. 30.—General Wood, acting under orders of Secretary Baker, arrived in Omaha today and took charge of the military forces to suppress lawlessness and establish order following Sunday night's outbreak. Governor McKelvie is also here to begin investigation of the rioting. No outbreak of any kind since Sunday night.

STRIKE OF SHIP YARD MEN HELD TO BE UNAVOIDABLE

They Will Go Out Unless Order Prohibiting Wage Increases on Government Work Rescinded

Washington, Sept. 30.—Strike of the ship yard workers inevitable in the west under the Navy Department shipping board shows disposition to rescind the order prohibiting wage increases in the yards which are constructing tonnage for government, according to James O'Neil, president of Metal Trades section of American Federation labor today.

BUTTERFAT PRICES GO UP AS PRODUCTION FALLS OFF

Consumption of Butter Reported to be Heavy; Reserve Stocks in Storage Being Freely Used

Chicago, Sept. 30.—A falling off in the production of cream has caused a general advance in prices being paid for butterfat, and reserve stocks in storage are being used freely to make up the deficiency in the current make.

The consumption of butter is reported generally to be heavy, and market conditions justify a strong effort being made to maintain fall and winter production.

Lower values prevailing on other food products, due in part to agitation and threatened legislation, and the moving into the market of stocks of frozen poultry have caused a drop in prices being paid for live poultry.

Poultry packing plants are now so generally fixed that they have sufficient help to take care of a liberal volume of poultry. Even marketing is suggested in order to prevent a glut a few weeks hence, which would have a tendency to reduce prices.

Receipts of eggs are much lighter, and prices being paid are generally higher. Storage eggs are being withdrawn and are being used freely in place of fresh stock.

President Reported Improving.

Washington, Sept. 30.—President had good nights rest and is improving. This official bulletin issued by Admiral Grayson. The second within twelve hours that told of improvement of president's condition. Admiral mostly pleased with progress the patient is making.

First Criminal Case Continued.

The petit jury returned to Maryville this morning in readiness to start on the criminal docket in the circuit. After some discussion, the first case scheduled to come up, that of the state vs. D. A. Bledsoe on a charge of felonious wounding, was continued the January term at the request of the plaintiff, the costs to be borne by the plaintiff. That was the only case to come up today. This case grew out of the explosion of a bomb in some fodder, which caused injuries to Grant Richards, a farmer of near Guilford.

Speaks at S. T. C. Assembly.

Dr. J. F. Rogers, head of the public health department at the State Teachers College, was the speaker at the usual weekly assembly at the college this morning. Doctor Rogers who took as his subject "Typical Characteristics of Great men," is the author of many articles for technical and scientific magazines.

Miss Myrtle Lanning returned Sunday from a seven weeks visit in La Moure, N. Dak., with her parents, Mr. and Mrs. J. C. Lanning.

STAND OF MINERS MAY END STRIKE

STEEL FIGHT AT A STANDSTILL IN PENNSYLVANIA

CONDITION IS IMPROVED

Nearly Normal at Principal Plants; Most of Them Are Reported Idle at Other Places

Pittsburgh, Sept. 30.—The steel strike at Pittsburgh and in western Pennsylvania has reached a state of stagnation in which neither side sees victory. The workers from the mines can now give either side the clear cut decision it craves. The ninth day of the strike showed little change in the situation generally except a continuation of gains in this district, where conditions are rapidly approaching the normal at the principal plants. The extension strike at the Bethlehem plants shows little effect on the general situation. Elsewhere, in Cleveland, Youngstown, Chicago and Wheeling, the situation remains unchanged, with most plants idle. William Fisher, strike director, has been summoned to Washington to appear before the senate committee on education and labor next Thursday.

PRESIDENT EXPECTED TO LIFT WAR-TIME PROHIBITION BAN

Will Declare Army Demobilized Soon, It Is Said; No Hint as to the Date Is Given

Washington, Sept. 30.—Insistent reports that president would soon lift war time prohibition by proclaiming army demobilized. At both white house and department of justice stated the situation was unchanged. No hint as to when such action would be taken has been given.

Harmony Chautauqua Tomorrow.

All is in readiness for the big farm chautauqua that the Harmony community will start tomorrow, to last four days. The big tent, seating a thousand persons, has been put up; a well has been dug to provide water for the crowds, and the women of the community are preparing to serve two meals a day, dinner and supper, for those who make a day of it. Three programs will be given daily: sectional meetings in the morning for the men, the women and the children, and general meetings in the afternoon and evening for all.

Indian War Veterans Meet.

Wichita, Kan., Sept. 30.—Veterans of the Indian wars are here for a two-day conference of the famous Indian Fighters of America, which is meeting in connection with the Kansas department of the American Legion at the international wheat show at Wichita. Many of those who followed Sheridan, Cook, Terry, Custer, Forsythe, Miles and others in the many raids and wars after the Civil War are still alive and will attend.

Missouri Chief Justice Dies.

Jefferson City, Sept. 29.—Chief Justice Henry W. Bond, 71 years old, of the supreme court of Missouri, died suddenly here yesterday following an attack of apoplexy. After a brief funeral ceremony here last night the body of Judge Bond was taken to St. Louis, where another service will be held today from the home of his son, Judge Thomas W. Bond. Judge Robert F. Walker of St. Louis now becomes chief justice of the supreme court of Missouri, he being the oldest in point of commission.

Mr. and Mrs. Jacob B. Moore will leave in the morning for Kansas City, where they will reside during the next several months.

Weather for Today

Partly cloudy tonight and Wednesday; not much change in temperature.

Harmony Chautauqua October 1 to 4

The Harmony Community farm chautauqua, for which some of the most noted specialists in the country have been obtained, will begin tomorrow and continue through to Saturday. Morning programs at 9; afternoon programs at 2; evening programs at 8:30. Dinner and supper served on the grounds. Big tent, seating a thousand, is pitched near the church, eight miles east and three miles north of Maryville, three miles west and three miles north of Ravenwood.

W. C. Baker, of Ryde, Cal., is spending a vacation visit with his little daughter, Winifred, who makes her home with her grandparents, Mr. and Mrs. William Langan, on West Second street.

Mrs. George Diss left last night for her home in Tulsa, Okla., after attending the funeral of her father, D. D. Jones, in Maryville.

SCHOOL TEACHER NEEDED BRAINS

"I never have had such a 'God-send' come to me as when I took the first dose of Mayr's Wonderful Remedy. I was afraid I would have to give up my school because of severe stomach, liver and bowel trouble, which caused such a pressure of gas that I could not use my brain at times, and my heart would palpitate awfully. Since taking a treatment of Mayr's Wonderful Remedy a year ago all this has disappeared." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. Sold by the Maryville Pharmacy and druggists everywhere.

Here on Recruiting Mission.

Sergeant W. O. Vickers, representing the army recruiting office at Kansas City, came to Maryville this noon to spend a few days here in the interest of the recruiting service. He expects to stay there days and will have his headquarters at Room 40, Linville Hotel, where he will be at home all day and from 6 to 10 p. m. He will be glad to see any prospective recruits and also former service men seeking information about war risk insurance, Liberty Bonds, Victory buttons or anything of the sort. Regarding the Victory buttons, he advises all former service men to inquire of the army recruiting office at 208 South Fifth street, St. Joseph, or at 203 East Twelfth street, Kansas City, presenting their discharge papers. He has none with him. Men with previous service are

desired for enlistments of one year or three years and may go to France, the Hawaiian Islands and Panama.

Carl Gray of Guilford is a Maryville visitor today.

No Washing---

WANTED — Girl for general housework in family of three. No washing.

That's the kind of help wanted ads you see in all the papers, because it is almost impossible to hire anyone who is willing to do washing. But it has to be done—

Did you ever hear of a man advertising for a wife and ending the ad with "no washing?"

Whether the wife does the washing herself, or just oversees it—it is a hard job, and she is entitled to any thing that will make it easier.

The Electric Washer has solved the help problem and the wash day problem more than anything else in the world, because it is an efficient machine that takes drudgery out of the work.

Let us show you an electric tomorrow.

Products that Packers Sell

Their Number Grossly Exaggerated

The Federal Trade Commission has published a list of some 640 articles said to be sold by the packers.

This list is ridiculously padded in order to scare people into the belief that the packers are getting control of the food supply of the nation.

For example, the list includes not only "beef sides" and "beef cuts," but also over 60 other items of beef products and by-products.

Over 90 articles listed are not sold to the outside trade but are raw materials and supplies, such as brick, cement, etc., used by Swift & Company in carrying on its business.

Glaring duplications appear, such as "sardines" and "canned sardines"; "butterine" and "oleomargarine"; "dried sausages" and "dry sausage," etc.

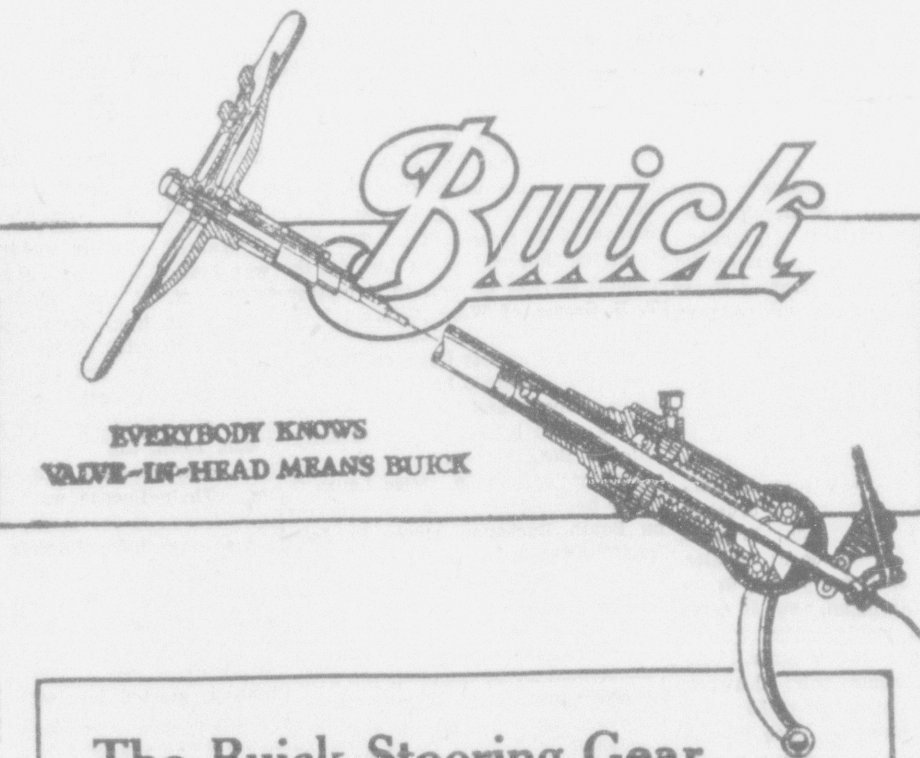

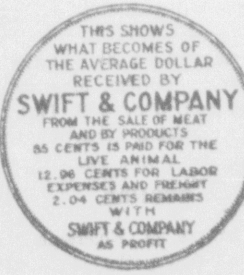

The list includes 37 kinds of sausage; 4 different kinds or preparations of beef tongue, etc., etc.

Simmered down, Swift & Company handles in addition to meats and meat by-products, only butter, eggs, cheese, poultry, canned goods, lard substitutes, and to a very small extent, dried and salt fish. And the proportion which we handle of the total supply of any one of these is absurdly small.

Do you want to be fooled by such misleading and ridiculous statements of the Trade Commission? Do you want radical legislation based on such absurd evidence?

Let us send you a "Swift Dollar." It will interest you.

The Buick Steering Gear

The Buick steering gear has been designed to combine the attributes of safety and ease of operation.

The principal advantages are entire relief from road shocks being transmitted through the steering mechanism, and ability to follow the tracks in mud or sand without wearing some maneuvering and without the danger of jumping the ruts. So that the easy handling of the Buick steering mechanism will be appreciated by all drivers.

As a result of this design, the factor of safety in Buick steering gears is very high. And because of the leverage provided by the large steering wheel, anti-friction bearings and the positive lubrication of every part, the car may be operated for many hours at a time without fatigue to the driver.

"It doesn't take as much Batavia Coffee"

In speaking of the cost of coffee one of our customers made the above remark—"It doesn't take as much Batavia."

It is that way with most high grade food stuffs—it does not take as much of them as it does of cheaper products, and consequently they are more economical.

Besides there is the satisfaction of using foods that are absolutely pure and good—like Batavia Brand canned goods, jellies, jams, coffee, etc.

BARMANN AUTO COMPANY

GREATER PROFIT IN CORN THAN WHEAT

FIGURES ARE GIVEN FOR PRODUCTION IN MISSOURI

COST PER BUSHEL IS \$1.01

This is Estimate for the Local Market; Yield Double That Noted For the Wheat Crop

Jefferson City, Sept. 30.—Corn is a more profitable crop in Missouri in the year 1919 than wheat, although wheat had the government price guaranteed and has sold at practically all times above the federal figures. The state-federal figures on Missouri wheat show an average of 13 bushels per acre this year, and, marketed at \$2.95 per bushel averaged \$36.65 per acre. Corn running 27 bushels per acre at a net average of \$1.25 per bushel is producing \$33.75, or \$7.10 per acre more than wheat. Corn that sells above \$1.25 per bushel will, of course, be bringing still more.

Many estimates have been made in each state as to the actual cost to the farmer to produce an acre of corn on which an average bushel cost may be based. From year to year Secretary Jewell Mayes of the Missouri state board of agriculture has been accepting as official the final figures of Prof. R. M. Green and his co-workers of the farm management department of the college of agriculture and experiment station. These estimates for 1919 allow the farmer two-fifths of the crop as land rent, amounting to \$10.88 per acre as the first item of cost.

Seed, man power at 25 cents an hour, horse power at 15 cents per hour, equipment cost, cutting of weeds and other miscellaneous labor cost, not allowing for fertilizer, when totaled amount to \$24.49 per acre. At an average of 27 bushels per acre in 1919, the cost gathered in crib in the field, is 21 cents per bushel. Allowing 10 cents for hauling to local market makes a total of \$1.01 as the 1919 cost of one bushel of corn at the railroad station. Not allowing the two-fifths of the crop as land rental, corn costs this year on a 27-bushel basis, 50.4 cents per bushel in the field.

The following are the 1919 items in detail on the cost of producing a bushel of corn in Missouri:

Land cost (or rent) (based on two-fifths of crop for rent)	\$10.88
Seed 3/4 bushel	.50
Cutting stalks: 1.24 man hours at 25c; 2.38 horse hours at 15c; equipment cost	.77
Breaking ground: 2.9 man hours at 25c; 9.52 horse hours at 15c; equipment cost	2.36
Tracing harrowing, dragging, etc.: 2.47 man hours at 25c; 7.87 horse hours at 15c; equipment cost	1.85
Planting: 1.06 man hours at 25c; 2.10 horse hours at 15c; equipment cost	.75
Harrowing corn: 1.49 man hours at 25c; 3.58 horse hours at 15c; equipment cost	.96
Cultivating corn: 3.99 man hours at 25c; 8.26 horse hours at 15c; equipment cost	2.66
Cutting weeds and miscellaneous labor: 2.42 man hours at 25c	.61
Gathering from standing stalks: 2.43 man hours at 25c; 8.55 horse hours at 15c; equipment cost	3.15
Total operating cost	\$13.61
Total cost per acre at the farm	24.49
Cost per bu. (27 bu. yield)	.91
Cost of marketing per bu.	.10
Cost per bu. at local market	1.01

Missouri Peaches \$2 a Bushel.

The Missouri co-operative crop reporting service of the state and federal governments announces that the final figures on the commercial peach crop of Missouri are 139,000 bushels. Dry weather through the Ozark section, especially in the important Koshkonong district, cut the shipments about 25 per cent. The total movement out of the state was 225 cars, Koshkonong shipping in the neighborhood of 200 cars. Prices received for peaches at Koshkonong and Brandsville average better than \$2 per bushel basket, of only fair quality.

To Repair St. Joseph Road.

Maryville motorists who have driven to St. Joseph will be pleased to hear that, according to the St. Joseph News-Press, plans have been completed by John D. Mohler, special county highway engineer, for the reconstruction of the Savannah road from the city limits to the Andrew county line, a distance of a mile and a quarter, and from that point to the Country Club grounds, three-fifths of a mile, the club has been asked to look after the paving, as it is not in Buchanan county. The Country Club is expected to appeal to the Andrew county court to make the improvement. It is estimated by Mohler that the reconstruction of the highway, with the present macadam as a base, upon which will be laid bituminous concrete, will cost \$14,000. The remainder of the cost to the Country Club grounds would be \$5,500.

LIBERAL RECEIPTS OF CATTLE MEET GOOD DEMAND AT K.C.

Hogs Opened Steady On Market There Yesterday and Closed a Bit Lower; Sheep Higher

Kansas City Stock Yards, Sept. 29.—Liberal receipts of cattle met a ready demand today at steady prices. Hogs opened steady, and closed a shade lower. Sheep were 25 to 50 cents higher, with top lambs \$15.25 and feeders \$12.50. Riot conditions in Omaha and a declaration of martial law there unsettled the market.

TODAY'S RECEIPTS.

Receipts today were 35,000 cattle, 10,000 hogs and 15,000 sheep, compared with 35,000 cattle, 8,000 hogs and 19,000 sheep a week ago, and 40,000 cattle, 15,000 hogs and 20,100 sheep a year ago. Receipts from Kansas, Oklahoma and Colorado predominated in the cattle division. A few cars arrived from Montana and the northwest. The bulk of the sheep came from Colorado and Utah.

BEEF CATTLE.

Though receipts of cattle suitable for killing purposes were liberal, demand was large, and the market retained the full advance of last week. Several carloads of wintered heavy grass fat steers sold at \$13.75 to \$14.25 and straight grassers up to \$12.75. Fed steers sold up to \$17, but they were not strictly prime. The bulk of the light weight grass fat steers sold at \$9.50 to \$11. Butcher grades met an active demand at steady prices. Both shipping and local demand was large. Cows sold at \$4.75 to \$11.25 and heifers \$6.50 to \$12.25. Veal calves were steady at \$9 to \$18.

STOCKERS AND FEEDERS.

More country buyers were here than a week ago and trade in stockers and feeders was active at last week's \$1 to \$1.25 advance. The weighty class of feeders sold more readily than the lighter kinds. Stockers plain to fair

are quoted at \$8.25 to \$8.75; good to choice \$8.75 to \$9.50; feeders fair to good \$8.75 to \$9.50; and good to choice \$9.50 to \$10.50; fleshy kinds up to \$12.25. Stock calves are quoted at \$7.50 to \$12.50, and stock cows and heifers \$6.50 to \$8.50.

HOGS.

Trade in hogs opened early at steady prices and later weakened moderately, though without any material decline. The top price was \$17.50, and bulk of sales \$16.90 to \$17.40. Receipts, though larger than a week ago by about 2,000, were not in excess of demand, and the general market was active. Pigs sold at \$15 to \$17.25.

SHEEP AND LAMBS.

Sheep and lamb prices were 25 to 50 cents higher. Lighter receipts, together with a large country outlet, caused the advance. Fat lambs sold up to \$15.25 and feeding lambs up to \$12.50. The Omaha market, with liberal receipts, was unsettled, owing to uncertain conditions arising from a riot and martial law. Fat lambs today sold at \$14.25 to \$15.25; ewes \$6.50 to \$7.75; wethers \$8.25 to \$9.25; and

yearlings \$9.50 to 10.50. Feeding lambs are quoted at 11 to \$12.50, and feeding ewes \$5 to \$6.50.

James Todd, editor of the Democrat-Forum, returned to Maryville this morning after attending the convention of the Missouri Press Association at Springfield last week and visiting W. C. VanCleve, his partner, at Moberly. Mr. VanCleve is editor of the Moberly Monitor-Index.
